

## LAMBIS ENGLEZOS SCHOLARSHIP

### BACKGROUND

The Lambis Englezos Scholarship has been established to recognise the work of the amateur Greek Australian historian and MHS Old Boy, Lambis Englezos. Through his research and persistence he has provided final recognition and dignity to the fallen Australian soldiers killed during the first action of Australian troops on the Western Front on July 19 1916 at Fromelles, a small village in northern France.

### DETAILS

The aim of the scholarship is to foster improved understanding of Australian- French relations by supporting research by a Melbourne High School Old Boy currently undertaking undergraduate studies in any area of study with relevance to current or past Australian-French relations or common interest. The Scholarship will contribute \$2,000 towards the costs of further study with an additional contribution of \$3,000 towards the costs of a study tour to undertake a relevant research project where applicable. The research project may or may not form part of the applicant's tertiary course requirements.

Submissions are now called for. Any MHS Old Boy currently enrolled in any unit of study with relevance to Australian-French relations is eligible to apply. Applicants should complete the attached form and outline the proposed research project they intend to undertake either in Australia or overseas. The successful applicant will be required to submit a project report and present their findings to an MHS community meeting by the end of the calendar year.

### THE SCHOLARSHIP

Awarded to a selected MHS Old Boy currently undertaking undergraduate studies in any area of study with relevance to current or past Australian-French relations.
