During this time, he also implemented a Leadership Development program for young pharmacists around the world, which is held annually around different cities of the world such as Scotland, Abu Dhabi, Spain and Australia. Also abroad, he donates and visits Temple Linh Son orphanage in Saigon Vietnam to help infants and young children in need with medical, food and recreational supplies.

John has had a passion for helping develop the potential of others- this began with the development of Leaders In Training (LIT) program that he founded since 2007 starting at the Leaders In Training Congress in Indonesia- and has since spread to all 5 continents of the world training over 1000's of pharmacy students.
