Melbourne High School is all about friendships, hard work and most of all, opportunity.

We believe Melbourne High School serves to create an environment where the playing field for students is far more level than it otherwise would be. A place where motivated, intelligent students from all social backgrounds get a chance to be the best they can be, whilst also lending a hand to those around them.

It is hoped that the recipient of this award goes on to achieve great things, but also that he remembers the role that Melbourne High School has played in his success.
